

WHAT DO YOU GET FOR THE PRICE?:

Prices listed are for rough lumber, sold random width, and random length. The lumber is manufactured to produce the best possible appearance while conserving the maximum usable product of the log. For orders requiring specific widths, lengths, and color, please contact us for a FREE estimate.

DETERMINING YOUR PRICE LEVEL: The footage of different specie on the same order may be accumulated to determine price level. Ask us about special pricing on bunk (1000+) quantities of any one specie. **Prices and availability subject to change without notice.**

Hardwood Lumber

L.L. JOHNSON LUMBER MFG. CO. & JOHNSON'S WORKBENCH / 800.292.5937 / www.theworkbench.com

MEASUREMENT: Kiln dried lumber from printed prices is measured after kiln drying and sold on net tally. No additions are made to cover the shrinkage which takes place in kiln drying. All thicknesses less than 1" are measured in surface feet.

SPECIAL SIZES: Printed lumber prices are for random width and random length lumber unless stated otherwise. Special widths or lengths can be supplied, but this will normally mean an additional charge. Contact us for availability and prices on special sizes.

THERMALLY MODIFIED WOOD PREMIUM PERFORMANCE, NOT PREMIUM COST.

Picking the right deck materials are key to how long a new deck is going to last and how much investment in maintenance will be needed.

Now you can match the refinement and elegance, the low maintenance and durability of exotic lumber with U.S. grown timber. EcoVantage thermally modifies real wood with heat and steam to create enhanced natural wood that is low maintenance and weather resistant.

PerfikDek™ materials are shaped and cut from EcoVantage's EcoPrem™ Wood— Yellow Pine thermally modified with heat and steam to create natural lumber that is low maintenance with high resistance to weather and insect attack.

We also offer StaTru™ thermally modified wood, perfect for deck structural systems. Since the product is chemical free, it will not facilitate corrosion in metal deck fastening systems, and comes with the 30-year warranty for in-ground contact applications.
